RICHARD B. WILSON

Richard Wilson Views Torrance Park Bond Issue

Wilson states that while the Mayor talks of a recession, we the people of Torrance, will be asked on April 8 to vote on a \$3,000,000 park bond. Some of the questions in my mind are, how much will it cost per month to maintain these parks, how much will this raise our already record level taxes? These are some of the questions that the advocates of this bond issue cannot answer or want discussed at this time. I agree that we need parks and recreation areas, but, not at this time of short paychecks and a record cost of living which may and probably will go higher. I urge you, the people of Torrance, to vote NO on the park bond issue at this time. Dick Wilson doesn't ride the fence on any issue. Your best bet for the future.
